WHY JOIN TEJEDA MS PTA?

Joining Tejeda PTA shows your support for Tejeda Middle School—its students, teachers and staff—and gives you a voice in the decision making. An individual who pays dues to our local PTA automatically becomes a member of the state and national PTAs. **Joining PTA does not necessarily mean you have to volunteer.** *You are giving your voice to be heard that you care for and support all Tejeda students!!*

WHO CAN JOIN TEJEDA MS PTA?

Anyone! Parents, guardians, students, grandparents, aunts, uncles, teachers, staff, neighbors, Tejeda alumni, and community members are all welcome to join the PTA. **Students are highly encouraged to join Tejeda PTA** and become a voice in their own education. Being an active member of your community looks good on scholarship, grant, college and job applications. Tejeda PTA is also a good source for volunteer opportunities throughout the school year.

You can also join Tejeda PTA online at www.tejedapta.com/pta-store
